

I am a faithful listener and supporter of K-LOVE on my local FM frequency, which is 106.7 FM. I believe that it is important to our community to keep our current K-LOVE signal because K-LOVE is known as a positive and encouraging radio station that plays great Christian music, and they are one of the few radio stations on the air that provides a wholesome program that is safe for our children. K-LOVE has often been an encouragement to me because the on-air personalities are positive and uplifting, and they remind me that there is still some good left in this world. K-LOVE is the radio station that I listen to most frequently because I enjoy the music and tips for living well, and I appreciate the way that the on-air personalities take scripture from the Bible and apply it in a practical way to our lives. If a new LPFM station took priority over K-LOVE, I think that my quality of life would not be as great. It lifts me up on my bad days and reminds me that we are here for a bigger and better purpose. Without K-LOVE, I would lose a great radio station that means something to me. It is a valuable service, and that is why I am proud to be a financial supporter of K-LOVE. Please reconsider what this change would do to others like me in the community who value K-LOVE as a positive and encouraging media outlet. K-LOVE restores my faith in God often, and I hope that you can find it in your heart to appreciate K-LOVE the way that I do. Thank you for your time and consideration. :)
